# CATCH THE **DRIP**, FIGHT THE **STINK** & STOP THE **SPLASH!**

## *World's First Patented Drip-Catching Urinal Screen*

- Our patented urinal screens captures the residual drips that cause odours, slips and endless cleanup
- For clean, drip-free restrooms
- Suction cups for easy application and secure placement
- Available with and without clip
- Patented funnel design
- Stays in place – no float on flush
- Universal fit for most urinals
- Slow release scent - lasts up to 30 days
- Helps reduce bad smells
- Circular design
- Less cleaning time
- Keep your restroom floors dry and visitors happy

# U-r-i-n

*No Drips,  
No Slips*

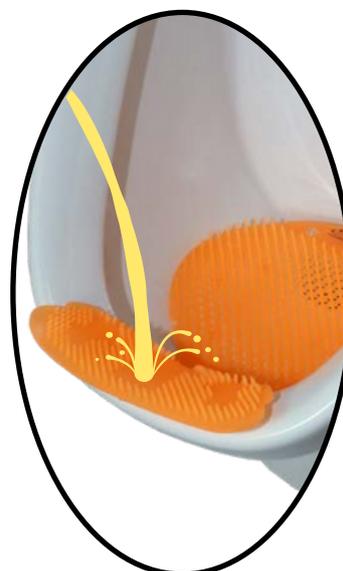

## AVAILABLE IN TWO STYLES

### **With Clip**

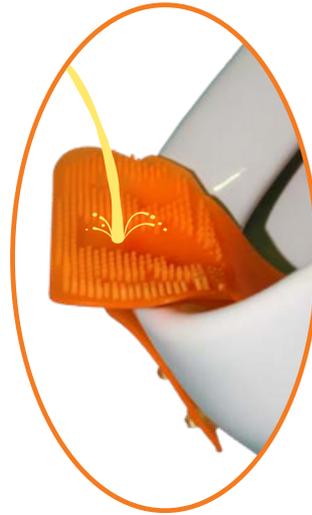

Provides extra stability with clip that mounts onto the front of the urinal. Suited to urinals with a strong flush, mounted lower to the ground, have a shallow bowl with a squared rim lip.

### **Non-Clip**

A versatile option that fits most standard urinals. Suited to urinals with a rounded bowl and thin rim lip.
