

Cleaning Instructions Pilbara Waterless Urinal

For hygiene reasons we recommend using gloves

1.

Spray urinal inside and outside with Biox cleaner

2.

Then wipe with clean paper starting outside

3.

Then clean the inside

4.

Spray urinal inside with Biox cleaner and leave.

5.

Finished!

In order to get the best results from your waterless urinal it is important that you follow the cleaning instructions above on a daily basis.

The use of chemical products are not recommended whilst using BIOX cleaning agent as they will affect the efficiency of the microbiological properties. Do not use any type of corrosive product that can damage the urinal or the valve
